신명기 (Deuteronomy) 32:7–9

7 Remember the days of old; consider the generations long past. Ask your father and he will tell you, your elders, and they will explain to you.

8 When the Most High gave the nations their inheritance, when he divided all mankind, he set up boundaries for the peoples according to the number of the sons of Israel.

9 For the Lord's portion is his people, Jacob his allotted inheritance.

신명기 (Deuteronomy) 32:7-9

7 옛날을 기억하라 역대의 연대를 생각하라

네 아버지에게 물으라 그가 네게 설명할 것이요
네 어른들에게 물으라 그들이 네게 말하리로다

8 지극히 높으신 자가 민족들에게 기업을 주실
때에, 인종을 나누실 때에 이스라엘 자손의
수호대로 백성들의 경계를 정하셨도다

9 여호와와의 분깃은 자기 백성이라 야곱은 그가
택하신 기업이로다

Education with High Tech

High-Tech High School Opening in Silicon Valley

The school will focus on science, technology, engineering and math (STEM) learning, and serve roughly 400 students – less than a quarter the size of most public high schools.

"History Is Bunk (nonsense)"

"I don't know much about history, and I wouldn't give a nickel for all the history in the world.

History is more or less bunk. It is a tradition. We want to live in the present, and the only history that is worth a tinker's damn is the history we make today."

Why History is Important?

Henry Ford thought “History is Bunk”, but...

Business Insider,
May 15, 2020,

“Steve Jobs did not let his children play with the iPad he helped create. “We limit how much technology our kids use at home...”

“In 2007, Gates...implemented a cap on screen time when his daughter started developing an unhealthy attachment to a video game...also didn't let kids get cell phones until 14.”

“Pichai told...in a 2018 that his then-11-year-old son did not have a cell phone, and he limits the time his children spend watching television.”
