Genesis 1:27–28

27 So God created mankind in his own image, in the image of God he created them; male and female he created them.

28 God blessed them and said to them, “Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground.”

창세기 (Genesis) 1:27-28

27 하나님이 자기 형상 곧 하나님의 형상대로
사람을 창조하시되 남자와 여자를 창조하시고

28 하나님이 그들에게 복을 주시며 하나님이
그들에게 이르시되 생육하고 번성하여 땅에
충만하라, 땅을 정복하라, 바다의 물고기와
하늘의 새와 땅에 움직이는 모든 생물을
다스리라 하시니라

Wishing everyone
a blessed month of

May

All the best.

Views on Gender...

“The 36-year-old Canadian cyclist is controversial in some countries because she is a transgender woman competing in female sport... Critics argue that we should not have a trans woman competing in female sport with a biological male advantage.”

**“There is virtually no evidence
that anyone, gay or straight,
is “born that way” if that means
their sexual orientation was
genetically determined”**

**“But there is some evidence... that
certain genetic profiles probably
increase the likelihood the person
later identifies as gay or engages
in same-sex sexual behavior”**

“Adverse Childhood Experiences (2013)”

“...Psychologist Judith A. & colleagues compared:

‘Differences in adverse childhood experiences’, (including dysfunctional households; abuses ...), among self-identified homosexual, heterosexual, and bisexual adults”

What Happened...?

**“Blessed are all who fear the LORD,
who walk in obedience to him.**

**2 You will eat the fruit of your labor;
blessings and prosperity will be yours...
your children will be like olive shoots
around your table.**

**4 Yes, this will be the blessing
for the man who fears the LORD.”**

-Ps 128:1-4-

Background...

“The goal of the feminist revolution, she wrote, must be “not just the elimination of male privilege but of the sex distinction itself”

**“So God created mankind
in his own image ...male and
female he created them.
28 God blessed them and said
to them, “Be fruitful and
increase in number;
fill the earth and subdue it...”**
